## FROM THE EAST

Fraternal Greetings Brothers All,

I want to take this opportunity to thank all the Brethren of Hillsborough Lodge No. 25 who are involved with weekly Lodge operations. It is a true pleasure to represent Hillsborough Lodge, as it is really taking shape. I want to congratulate R.:W.: Joseph Gonzalez, P.D.D.G.M. for his outstanding year representing M.:W.: Jim Ford. I also wish to congratulate R.:H.: Steven J. Silvers on his new appointment as District Instructor. Please support him and continue your Light in Masonry by attending the District Schools of Instruction on the first Wednesday of every month. Thank you to all the Brothers who attended the Grand Lodge Communication; it is always exciting to see so many Masons gathered in one place.

On that note, it is apparent with the lack of attendance at our meetings, that we are either meeting too often or we are missing something. I would like to have an open discussion in Lodge at our Stated Meeting On June 23, 2015. Please bring ideas and suggestions to this meeting. As I have stated on numerous occasions, please bring two solutions if you have a complaint. It is apparent we need to make some changes in our schedule or the business we are trying to accomplish during these meetings.

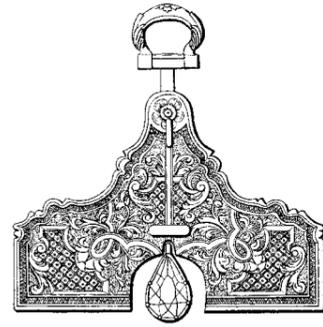

I am asking all the Brothers please put on their calendar to attend at least one meeting a month, either Stated or Called. It is very important to the new Brethren that we are one sacred band of Brothers. It's also important that during Degree work, we impress upon the candidate going through the Degree that we are a Lodge that fosters their desire to become a better man. We have an awesome membership and we should be proud of the work we have been able to accomplish.

Fraternally,

*Clifford M. Allen*

Worshipful Master

## FROM THE WEST

Greetings, My Brothers!

We are now into summer, and it is hard to believe nearly half the year has gone by already. By the time you read this, the election, appointments and installation of your 2015-2016 Grand Lodge Officers will be over. My sincere congratulations to M.:W.: Steven P. Boring and the rest of the Grand line, and a big congratulations to District 22's R.:W.: Michael Goldman and Hillsborough Lodge's own R.:H.: Steven J. Silvers, District Instructor for the 22nd Masonic District! It looks like we have another very exciting and successful year coming up.

One of the pieces of legislation presented at the Grand Lodge Communication was the Resolution for Social Media Policy. Over the past few months, I have observed some very disappointing exchanges between Brothers of Hillsborough Lodge. Without going into detail, suffice it to say that these conversations have been lacking in proper Masonic decorum and mutual respect (not to mention a lack of Brotherly love and affection). While I am all in favor of free speech and constructive dialogue on subjects of both agreement and disagreement, we must always ensure that our tone is consistent with the candor, friendship, courtesy, affability and kindness that we, as Masons, are taught to inculcate.

*"The Lodge...that benevolent institution that has exalted men to great heights, that has nurtured the needy, fed the hungry, sheltered the traveler, always been tolerant, a refuge for good men, a charitable giver, and a lover of mankind. Yes, that is the one and only one that suffers when piques and quarrels arise among the Brethren."*

## FROM THE SOUTH

Greetings Brothers,

It is hard to believe that summer is here and this year is going so quickly. If you haven't been to Lodge in awhile, come join us this summer and experience our friendship and Brotherly love.

Our second Family Night of the year will be on June 30th. Dinner is at 6:30 p.m, and the menu will be an assortment of summertime favorites. After dinner, we will have an open meeting that your friends and family can attend. We had a great turnout at our previous Family Night in March. I encourage you to bring your friends and family so they can see our beautiful Lodge and experience the work that we are doing as we head into the summer months.

Thank you to everyone who attended the official visit of R.:W.: Joseph A. Gonzalez to our Lodge on April 28th. I want to congratulate R.:W.: Gonzalez on a tremendous year and thank him again for his leadership and zeal for our Fraternity. His dedication to our Fraternity is a great example for all Masons to follow.

In May, we Raised Brother Joey Davis's class to the Sublime Degree of Master Mason. Congratulations to our newly Raised Brother Master Masons. I look forward to continuing to see you at our Lodge, and urge you to stay active by attending our weekly communications and ritual work participation. We still need catechism instructors, so if you are interested in teach catechism, obtaining a Silver Card is the next step. There is no better time than now to obtain it while the catechisms are still fresh in your mind. Congratulations to Brother Davis on a job well done.

Sincerely & Fraternaly,

*Drew Baldwin*

Junior Warden

## SECRETARY'S DESK

My Brothers,

By the time this Trestleboard hits your inbox or mailbox, the elected officers of this, and most every Lodge around our great State will have just returned from the Annual Grand Communication in Orlando, Florida. Our New Grand Master will have been installed and we will again begin a new Masonic year. Let's make it a good one!

I've spent two months organizing and becoming familiar with the Secretary's office, and the duties of the position to which I was elected. I am happy to report that everything is running smoothly so far. I must say that I am troubled by the large number of Brothers who still have not paid their 2015 Dues. Therefore, I have decided to send out copies of Dues notices to every Brother who has not yet paid their Dues for 2015. Your dues are used to operate the daily business of the Lodge, as well as supporting local and Masonic charities, including your Masonic Home. Remember Brothers, you can pay your dues online at [www.hillsborough25.org](http://www.hillsborough25.org), or by mailing your check directly to the Lodge.

The work of a Lodge is always in progress, and we have initiated many new Brothers this year. These Brothers are actively studying and progressing towards their next Degrees every week. Take some time to come out to the Lodge to be a part of their advancement. Having been down that road yourself, you know how much it means to have the support of the Craft at our Rituals. Finally, I hope to greet you in our Lodge room again very soon.

Fraternaly,

*Steven J. Silvers*

Secretary  
District Instructor

Morgan Stanley

[jeremy.hall@morganstanley.com](mailto:jeremy.hall@morganstanley.com)

Brothers,

Two months ago, the Officers of your Lodge asked for your feedback concerning the meetings of the Lodge. To date, the number of feedback submissions is very low. Your opinion and feedback are very important to the Officers.

We want to hear from you, specifically, why you come to Lodge, and why you may avoid coming to Lodge. We're asking for your honest answers as to your attendance, and, if you were the Worshipful Master, what you would do to change or improve the Lodge.

We've uploaded a short, five question survey on the main page of the website, [www.hillsborough25.org](http://www.hillsborough25.org). Scroll down half way and you'll see the link to the survey. The survey is set up to be completely anonymous, and most answers are free text based. This survey is accessible via any mobile device through the website. So, please tell us your honest opinion, so that we may direct the Lodge in a manner befitting the consensus of the Brethren.

Below are the questions we're asking. Take a moment to provide your Officers with this valuable information. Thank you for your feedback.

1. What do you like best about attending Lodge?
2. What do you like least about attending Lodge? (please be specific in your answer)
3. What was the last date you attended Hillsborough Lodge?
4. If your attendance was more than 3 months ago, what is your main reason for not attending?
5. If you were the Worshipful Master, what would you change or improve in the Lodge?

## MASONIC EDUCATION: THE GAVEL

The Common Gavel, it is a symbol both of labor and of power. As the Square is no doubt the oldest instrument of our science, so the Gavel is its oldest working tool - some trace it back to the rude ax of the stone age. How simple it is - just a piece of metal with a beating surface at one end and a cutting edge at the other, with a handle for better effect in use. Every Mason knows by heart the explanation of its meaning, given him in the First Degree.

While the Square, the Level and the Plumb has each one use and office, the Gavel is used in many ways, either by itself or with other tools all the time. Cutting, chipping, driving and setting it is always busy, always close to the hand of a Mason; for suppression and for construction, its work never ends. It is the first tool of the Craftsman, and the last he uses as Master of the Lodge, if he is counted worthy of that honor by the merit of his labor and the trust of his Brethren. The Gavel is capable of doing great work, or of spoiling good material; it is at once the test and the triumph of a Mason.

So, naturally, the Gavel is an emblem of power. It is an emblem of the power for good or ill in the hands of each man, being the commonest of tools; and also of the power of the Lodge in the hand of the Master. If wielded roughly, it means ruin. If wielded weakly, it means failure. If it is wielded wisely, and in the spirit of Brotherly love, it is a

wand of magic and a scepter of good will. Man is tempted and tested by power as by nothing else. Few are the men able to use it and not abuse it. No man can be a Master Mason, or fit to be the Master of a Lodge, until he has learned to use the Gavel with dignity, self-control and gentle skill.

As the Gavel sounds in the East, calling us to another year of Masonic Labor, each of us ought to ask himself such questions as these, and answer them honestly in his own soul. What kind of a Lodge would my Lodge be if all its members were like me? What value would Masonry be to the world, if every one of its sons made the same use of it as we do? Do we answer the signs and summons sent to us by the Lodge, as we vowed to do at its Altar? If not, what is a Masonic Obligation worth, and what does it mean - nothing? Such questions tell us where we are in Masonry, and why we may do so little with it. Surely it only fair to ourselves, as well as to the Craft, to ask such questions point blank. As citizens, one thing we lack more than anything else in America today is a sense of personal responsibility for laws and institutions, which enshrine the spirit and genius of our nation. If Masonry had a great place in the early days of the Republic, it was because Masons gave it a great place by serving the nation in its spirit. Truth wins if we are true to it and make it win.
